Title: Kleinman Park Playground Improvements - 710 South Extension Road (District 4)

In 2016, the City renovated portions of Kleinman Park including the softball field and tennis and pickleball courts; however, playground equipment was not part of the project improvements. This project includes all new play features including swings, slides, climbing features and a zipline, as well as, new ADA ramps and benches, which will enhance the accessibility of the playground.

Staff recommends awarding the contract for this project to the lowest, responsible bidder, SDB, Inc., in the amount of $311,327.10, and authorize a change order allowance in the amount of $31,132.71 (10%), for a total amount of $342,459.81. This project is funded by a HUD Community Development Block Grant, a Salt River Pima-Maricopa Indian Community Grant, and the Parks, Recreation and Community Facilities operating budget.
