Title:	Amendment and Contract Value Increase to the Term Contracts for Solid Waste Disposal, Recyclable Material Processing, and Vegetative Waste Processing Services as requested by the Environmental Management and Sustainability Department (Citywide) The contract value increase is necessary due to the new terms required by United Fibers, LLC under the contract. The price increase under the contract was based on the increase in processing fees, decrease in allowable contamination and decrease in acceptable materials. The Environmental Management and Sustainability Department and Purchasing recommend authorizing a contract amendment with United Fibers, LLC; and a contract dollar limit increase of $95,000 for the agreement (includes all vendors and covers all Solid Waste Disposal, Recyclable Material Processing, and Vegetative Waste Processing Services); from $9,010,000 to $9,105,000 annually, based on estimated usage.

Amendment and Contract Value Increase to the Term Contracts for Solid Waste Disposal, Recyclable Material Processing, and Vegetative Waste Processing Services as requested by the Environmental Management and Sustainability Department **(Citywide)**

The contract value increase is necessary due to the new terms required by United Fibers, LLC under the contract. The price increase under the contract was based on the increase in processing fees, decrease in allowable contamination and decrease in acceptable materials.

The Environmental Management and Sustainability Department and Purchasing recommend authorizing a contract amendment with United Fibers, LLC; and a contract dollar limit increase of $95,000 for the agreement (includes all vendors and covers all Solid Waste Disposal, Recyclable Material Processing, and Vegetative Waste Processing Services); from $9,010,000 to $9,105,000 annually, based on estimated usage.
