5 **Take action on the following contracts:*****5-a** **20-0715** Five-Year Term Contract for Office Supplies and Products for Citywide Departments and Strategic Alliance for Volume Expenditures (S.A.V.E.) Cooperative Members as requested by the Business Services Department **(Citywide)**

This contract is for the purchase of miscellaneous office supplies and products including online ordering for next day, desktop delivery on an as-needed basis. Past participation has included over 100 agencies including Arizona cities, towns, school districts and other members of the S.A.V.E. purchasing cooperative with an estimated \$8.7 million spend.

An evaluation committee recommends awarding the contract to the highest-scored proposal from Wist Business Supplies & Equipment, at \$850,000 annually (Mesa's use), based on estimated usage.

- *5-b** **20-0714** One-Year Renewal with a One-Year Renewal Option to the Term Contract for Water-Reducible Alkyd Paint for the Environmental Management and Sustainability Department **(Citywide)**

This contract provides paint used to paint and refurbish the City's trash and recycle bins and roll-off boxes including specified paint for spray application and for roller application.

The Environmental Management and Sustainability Department and Purchasing recommend authorizing the renewal with Bert's Paint, Inc. and Intrepid Coatings, Inc., at \$27,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index.

- *5-c** **20-0711** One-Year Renewal with a One-Year Renewal Option to the Term Contract for Park Playground and Aquatics Facility Poured-In-Place Surfacing and Synthetic Turf Repairs, Maintenance, and Installation for the Parks, Recreation and Community Facilities Department **(Citywide)**

This contract is for the supply, installation, maintenance, and repairs to the rubberized playground safety surfacing and synthetic turf in the City's park playground systems, splash pad, and aquatic facilities. The contractor also maintains poured-in-place surfacing at citywide playgrounds.

The Parks, Recreation and Community Facilities Department and Purchasing recommend authorizing the renewal with Flexground, LLC, at \$300,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

- *5-d** **20-0726** Dollar-Limit Increase to the Term Contract for Emergency Medical Supplies and Pharmaceuticals for the Mesa Fire and Medical Department **(Citywide)**

Pressures related to these products have drastically increased, due to the pandemic. This includes additional need, availability, price increases, and purchasing products not explicitly called out for in the contract because they are otherwise unavailable. Additionally, the expansion of the Medical Transport Units, as well as other response units, has led to an increased order volume that was not originally anticipated in this contract at its inception. The department is requesting the additional funds to continue through the rest of the term for future needs of the department.

The Mesa Fire and Medical Department and Purchasing recommend increasing the dollar-limit with Bound Tree Medical, LLC, by \$290,000, from \$710,000 to \$1,000,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

- *5-e** **20-0713** Three-Year Term Contract with Two Years of Renewal Options for Traffic Signal Controllers and Video Detection Systems for the Transportation Department (Single Response) **(Citywide)**

Traffic signal video detection is used to detect vehicles at signalized intersections so the traffic signal can react to demands. Traffic signal controllers are specialized hardware and software used to control signalized intersections. The controllers are devices used to time and control the traffic signals within the signal cabinets.

The Transportation Department and Purchasing recommend awarding the contract to the single, responsive, and responsible bidder, Econolite, at \$841,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index. This purchase is funded by the Local Streets Fund.

- *5-f** **20-0724** Southern Avenue (Horne to Harris Drive) and Stapley Drive (U.S. 60 to 8th Avenue) Intersection Improvements Project **(District 4)**

This project will widen the Southern Avenue and Stapley Drive intersection by adding medians to each street of the intersection, adding a third southbound lane from the Southern and Stapley intersection to the U.S. 60 freeway interchange, and by providing a dedicated eastbound right turn lane at the Southern and Stapley intersection. Additional improvements include ADA compliant ramps and driveways, new curb and gutter, sidewalk, storm drain, streetlights, traffic signals, and other related improvements required for the roadway safety and capacity improvements.

Staff recommends awarding the contract for this project to the lowest, responsible bidder, Blucor Contracting, Inc. (a Mesa Business), in the amount of \$14,252,296.97, and authorize a change order allowance in the amount of \$1,425,229.70 (10%), for a total award of \$15,677,526.67. This project is funded by Local Street Sales Tax and Transportation Funds of which 94.3% will be reimbursed by ADOT (federal) grant under the HSIP and STP programs.

***5-g [20-0730](#) The Studios @ Mesa City Center - Construction Manager at Risk (CMAR) Selection and Pre-Construction Services Contract (**District 4**)**

In February 2018, Council approved an Intergovernmental Agreement with Arizona State University for a new academic building in downtown Mesa (ASU Creative Futures Laboratory). This agreement also included provisions for ASU to assist with the programming of the vacant City-owned building located at 59 East 1st Street, which requires the renovation of 6,000 - 12,000 square-foot of the existing 26,500 sf building, to be called The Studios @ Mesa City Center.

This pre-construction phase of the renovation project consists of working closely with the project team to develop the project design, review the design for constructability, prepare cost estimates, and develop the project schedule and phasing plan.

Staff recommends the selection of Okland Construction as the CMAR for this project and award a Pre-Construction Services contract in the amount of \$98,322. This project is funded by the Economic Investment Fund.

***5-h [20-0702](#) One-Year Term Contract with Two Years of Renewal Options for Two Master Job Order Contracts for Water and Wastewater Reclamation Plant Facility Construction Services (**Citywide**)**

Job Order Master Contracts for water and wastewater reclamation plant facility construction services include minor construction improvements related to water and wastewater plants, systems, and related infrastructure improvements throughout the City.

Staff recommends the selections of Garney Construction, Inc. (a Mesa business), and Archer Western Construction, LLC for water and wastewater reclamation plant facility construction services. These contracts allow for the issuance of multiple individual job orders with a not-to-exceed limit of \$1,500,000 per job order, and a total contract value not-to-exceed \$5,000,000 for each year of the contract, per contractor.

- *5-i** **[20-0712](#)** Three-Year Term Contract with Two Years of Renewal Options for Pad Mounted 3 Phase 15kV SF6 Insulated Switchgear for the Energy Resources Department **(Citywide)**

This contract will provide pad mounted three phase 15 kV load-break interrupting and fault interrupting insulated switchgear. The switchgear is required for the life cycle replacement of the existing Lewis East Substation getaway switches and rebuilding critical portions of the 45-year old substation.

An evaluation committee recommends awarding the contract to the highest-scored proposal from G&W Electric Company, at \$500,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index. This purchase is funded by authorized Electric Bond Funds.

6 Take action on the following resolutions:
