Subject: Purchase of Two (2) New Vehicles for the Police Department (**Citywide**)

Purpose and Recommendation

Council is requested to approve the purchase of two new vehicles as recommended.

Police and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contracts with Chapman Ford at \$25,648.52 and Larry Miller Toyota at \$27,653.74, for the total award of \$53,302.26.

Background / Discussion

This purchase will provide two vehicles for the Police Department. These vehicles will not be part of the department's regular fleet inventory and will give the Police Department the ability to reduce their lease fleet by two. .

The State of Arizona awarded a contract to each vendor. Using the cooperative contracts provides volume based pricing beneficial to City.

Alternatives

Council may choose not to authorize the purchase and new bids will be obtained.

Fiscal Impact

The total amount of \$53,302.26 is available in the Police Department's operating budget through Racketeer Influenced Corrupt Organizations (RICO) funding. Maintenance for the vehicles will be funded from RICO funds.
