Subject: Federal Project and State TRACS Numbers  
CRASH Analysis Software Upgrade – FY 2014, MAG TIP: CHN14-111

Dear Ms. Ehm:

Per the request of December 30, 2013, the following Federal Project and State TRACS numbers have been established and should be used in any correspondence for this project.

**CRASH Analysis Software Upgrade - Mesa**  
MES-0(229)D  
SH620 01X/01D  
City of Mesa

Establishment of these project numbers initiates the Project Development Process. The process requires completion and approval of the following submittal documents:

- Project Assessment (PA) or Design Concept Report (DCR), as applicable
- PS&E (30%, 60%, 95%, and 100% stage submittals), as applicable
- Required clearances (Environmental, Right-of-Way, Utilities, and Materials), as applicable

ADOT Urban Project Management can proceed with the request for authorization of procurement funding from FHWA only upon completion of the development process.

Owen Mills has been assigned as the ADOT Project Manager and will be working with the City to coordinate the Project Development Process. For any questions regarding this letter, please do not hesitate to contact him at (602) 712-8695 or [omills@azdot.gov](mailto:omills@azdot.gov).

Sincerely,  
ADOT Local Public Agency Section

Patrick W. Stone,  
LPA Program Manager
