SPECIAL CONDITIONS

8. The recipient agrees to comply with applicable requirements regarding registration with the System for Award Management (SAM) (or with a successor government-wide system officially designated by OMB and OJP). The recipient also agrees to comply with applicable restrictions on subawards to first-tier subrecipients that do not acquire and provide a Data Universal Numbering System (DUNS) number. The details of recipient obligations are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/sam.htm> (Award condition: Registration with the System for Award Management and Universal Identifier Requirements), and are incorporated by reference here. This special condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
9. Pursuant to Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving," 74 Fed. Reg. 51225 (October 1, 2009), the Department encourages recipients and sub recipients to adopt and enforce policies banning employees from text messaging while driving any vehicle during the course of performing work funded by this grant, and to establish workplace safety policies and conduct education, awareness, and other outreach to decrease crashes caused by distracted drivers.
10. The recipient agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events, including the provision of food and/or beverages at such events, and costs of attendance at such events. Information on pertinent laws, regulations, policies, and guidance is available in the OJP Financial Guide Conference Cost Chapter.
11. AWARD DATE 09/05/2014

SPECIAL CONDITIONS

15. Privacy; quality assurance; CODIS/NDIS

The recipient shall ensure that each DNA analysis conducted and DNA profile generated under this award is maintained pursuant to all applicable Federal privacy requirements, including those described in 42 U.S.C. section 14132(b)(3).

The recipient shall ensure that all forensic DNA analyses conducted with funding under this award are performed either (1) by accredited government-owned laboratories, or (2) through accredited fee-for-service vendors. Accreditation must be by a nonprofit professional association of persons actively involved in forensic science that is nationally recognized within the forensic science community.

The recipient shall ensure that any laboratory that conducts forensic DNA analyses under this award undergoes external audits, not less than once every two years, that demonstrate compliance with the Quality Assurance Standards for Forensic DNA Testing Laboratories established by the Director of the Federal Bureau of Investigation.

The recipient shall ensure that all eligible forensic DNA profiles obtained with funding under this award will be entered into the Combined DNA Index System (CODIS), and, where applicable, uploaded to the National DNA Index System (NDIS). No profiles generated with funding from this award may be entered into any non-governmental database without prior express written approval from NIJ.

If any government-owned forensic laboratory that will receive funding under this award to conduct forensic DNA analyses is not a member of NDIS, the laboratory must have a written agreement in place with an NDIS-participating laboratory for the resulting eligible forensic DNA profiles to be entered into CODIS, and, where applicable, uploaded into NDIS.

If the recipient operates a state-designated DNA database laboratory, the recipient shall ensure that analyses of DNA database samples and reviews of associated DNA profiles conducted with funding under this award are performed by a laboratory that (1) is accredited by a nonprofit professional association of persons actively involved in forensic science that is nationally recognized within the forensic science community; and (2) undergoes external audits, not less than once every two years, that demonstrate compliance with the requirements of the Quality Assurance Standards for DNA Databasing Laboratories established by the Director of the Federal Bureau of Investigation. The recipient shall ensure that any DNA database samples analyzed with funding under this award are analyzed for all 13 CODIS core STR loci, using commercially available PCR kits accepted by NDIS. The recipient shall also ensure that all profiles obtained from DNA database samples with funding from this award are entered into CODIS within 90 days of completion of analysis, and uploaded into NDIS.

The recipient agrees to notify NIJ promptly upon any change in the accreditation status of any of the forensic science laboratories that receive funding under this award, or their participation in NDIS.

16. No research; nonsupplanting of State or local government funds

The recipient shall ensure that none of the funds provided under this award are used for research or statistical projects or activities as defined by 28 CFR Part 22 or for research as defined by 28 CFR Part 46. Any questions concerning this provision should be directed to the NIJ Program Manager for the award.

The recipient shall ensure that Federal funds made available through this award will not supplant State or local government funds, but instead will be used to increase the amount of funds that would, in the absence of Federal funds, be available from State or local government sources for activities funded through this award.

The recipient agrees to notify NIJ promptly if the recipient receives new State or local government funding for any of the purposes included in the approved application for this award.

17. The recipient agrees to notify NIJ promptly upon any significant reduction in the recipient's estimate of the number of backlogged forensic DNA cases that will be analyzed within twenty-four months using the funds provided under this fiscal year 2014 award, above and beyond those that will be analyzed using funds from other sources.

If applicable, the recipient agrees to notify NIJ promptly upon any significant reduction in the recipient's estimate of the number of DNA database samples that will be analyzed, or associated DNA profiles reviewed, within twenty-four months using the funds provided under this fiscal year 2014 award, above and beyond those that can be analyzed or reviewed using funds from other sources.

18. The recipient understands and agrees that gross income (revenues) from fees charged for DNA testing services constitutes program income (in whole or in part), and that program income must be determined, used, and documented in accordance with the provisions of 28 C.F.R. 66.25, including as applied to the NIJ DNA Capacity Enhancement and Backlog Reduction Program by the Office of Justice Programs (OJP) Financial Guide, as it may be revised from time to time. The recipient further understands and agrees that both program income earned during the award period and expenditures of such program income must be reported on the quarterly and final Federal Financial Reports (SF 425) and are subject to audit.

The recipient understands and agrees that program income earned during the award period only may be expended only for permissible uses of funds specifically identified in the solicitation for the NIJ FY 2014 DNA Capacity Enhancement and Backlog Reduction Program. The recipient further understands and agrees that program income earned during the award period may not be used to supplant State or local government funds, but instead may be used only to increase the amount of funds that would, in the absence of Federal funds or program income, be available from State or local government sources for the permissible uses of funds listed in the FY 2014 program solicitation.

The recipient understands and agrees that program income that is earned during the final ninety (90) days of the award period may, if appropriate, be obligated (as well as expended) for permissible uses during the ninety-day (90-day) period following the end of the award period. The recipient further understands and agrees that any program income earned during the award period that is not obligated and expended within ninety (90) days of the end of the award period must be returned to OJP.

19. The recipient understands and agrees that, throughout the award period, it must promptly notify NIJ if it either starts or stops charging fees for DNA testing services, or if it revises its method of allocating fees received for DNA testing services to program income. Notice must be provided in writing to the NIJ program manager for the award within ten (10) business days of implementation of the change.
20. Absent prior express written approval from NIJ, rates for any lodging charged to the award may not exceed the posted GSA rate for the location. (If the recipient opts to obtain lodging at a higher rate, the cost differential, including associated taxes, may not be charged to the award.)
21. The recipient shall submit semiannual progress reports. Progress reports shall be submitted within 30 days after the end of the reporting periods, which are June 30 and December 31, for the life of the award. These reports will be submitted to the Office of Justice Programs, on-line through the Internet at <https://grants.ojp.usdoj.gov/>.
22. The recipient agrees that it will submit quarterly financial status reports to OJP on-line (at <https://grants.ojp.usdoj.gov/>) using the SF 425 Federal Financial Report form (available for viewing at www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.

With respect to such data, the reports should contain: (1) information regarding baseline performance metrics (for capacity enhancement projects -- the average number of days between the submission of a request for forensic biology/DNA analysis to the laboratory and the delivery of the test results to the requesting agency at the beginning of the award period, and the average number of forensic DNA samples analyzed per analyst/month at the beginning of the award period; for forensic casework DNA backlog reduction projects -- the number of backlogged forensic biology/DNA cases at the beginning of the award period); (2) progress performance metrics (for capacity enhancement projects -- the average number of days between the submission of a request for forensic biology/DNA analysis to the laboratory and the delivery of the test results to the requesting agency at the end of the reporting period, and the average number of forensic DNA samples analyzed per analyst/month at the end of the reporting period; for forensic casework DNA backlog reduction projects -- the number of backlogged forensic biology/DNA cases at the end of the reporting period, the number of forensic biology/DNA cases analyzed during the reporting period using funds provided under this award, and the number of DNA profiles from forensic analyses entered into CODIS during the reporting period as a result of the funds provided under this award); and (3) impact performance metrics (for forensic casework DNA backlog reduction projects -- the number of CODIS hits during the reporting period attributable to the forensic analyses funded under this award).

For the purposes of performance measure data reporting, a backlogged forensic biology/DNA case is defined as a forensic biology/DNA case that has not been completed within 30 days of receipt in the laboratory.

The recipient shall ensure that all required performance measure data are collected throughout the award period.

The recipient agrees to submit applicable performance measure data with its final report. With respect to data concerning forensic DNA activities, the final report should contain: (1) for forensic DNA capacity enhancement projects -- the average number of days between the submission of a request for forensic biology/DNA analysis to the laboratory and the delivery of the test results to the requesting agency at the end of the project period, and the average number of forensic DNA samples analyzed per analyst/month at the end of the project period; and (2) for forensic casework DNA backlog reduction projects -- the number of backlogged forensic biology/DNA cases at the end of the project period, the cumulative number of forensic biology/DNA cases analyzed using funds provided under this award, the cumulative number of DNA profiles from forensic analyses entered into CODIS as a result of the funds provided under this award, and the cumulative number of CODIS hits attributable to forensic DNA analyses funded under this award).

27. The recipient agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.
28. To assist in information sharing, the award recipient shall provide the NIJ program manager with a copy of publications (including those prepared for conferences and other presentations) resulting from this award, prior to or simultaneous with their public release. NIJ defines publications as any written, visual or sound material substantively based on the project, formally prepared by the award recipient for dissemination to the public. Submission of publications prior to or simultaneous with their public release aids NIJ in responding to any inquiries that may arise. Any publications - excluding press releases and newsletters - whether published at the recipient's or government's expense, shall contain the following statement: "This project was supported by Award No. _____, awarded by the National Institute of Justice, Office of Justice Programs, U.S. Department of Justice. The opinions, findings, and conclusions or recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect those of the Department of Justice." This statement shall appear on the first page of written publications. For audio and video publications, it shall be included immediately after the title of the publication in the audio or video file.
29. The recipient shall transmit to the NIJ program manager copies of all official award-related press releases at least ten (10) working days prior to public release. SPECIAL CONDITIONS

30. Pursuant to 28 C.F.R. Part 18, OJP may suspend or terminate funding under this award before the completion of the project funded by this award, for the recipient's failure to comply with these special conditions or with the project's goals, plans and methodology set forth in the approved application. In the case of suspension, the recipient will be unable to draw down funds until OJP determines that the recipient is in compliance.
31. The recipient acknowledges that the Office of Justice Programs (OJP) reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for Federal purposes: (1) any work subject to copyright developed under an award or subaward; and (2) any rights of copyright to which a recipient or subrecipient purchases ownership with Federal support.

The recipient acknowledges that OJP has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under an award or subaward; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.227-14 (Rights in Data - General).

It is the responsibility of the recipient (and of each subrecipient, if applicable) to ensure that this condition is included in any subaward under this award.

The recipient has the responsibility to obtain from subrecipients, contractors, and subcontractors (if any) all rights and data necessary to fulfill the recipient's obligations to the Government under this award. If a proposed subrecipient, contractor, or subcontractor refuses to accept terms affording the Government such rights, the recipient shall promptly bring such refusal to the attention of the OJP program manager for the award and not proceed with the agreement in question without further authorization from the OJP program office.
32. The Project Director and key program personnel designated in the application shall be replaced only for compelling reasons. Successors to key personnel must be approved, and such approval is contingent upon submission of appropriate information, including, but not limited to, a resume. AWARD DATE 09/05/2014

SPECIAL CONDITIONS

33. The recipient agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.

Categorical Exclusion: Based upon the information provided by the recipient in its application for these funds, NIJ has determined and the recipient understands that the proposed activities meet the definition of a categorical exclusion, as defined in the Department of Justice Procedures for Implementing the National Environmental Policy Act found at 28 CFR Part 61 (including Appendix D). A categorical exclusion is an action that because of the proposed activities' very limited and predictable potential environmental impacts, both on an individual and a cumulative basis, does not have a significant impact on the quality of the human environment. Consequently, no further environmental impact analysis is necessary under the requirements of the National Environmental Policy Act, 42 U.S.C. 4321, for these categorically excluded activities.

Modifications: Throughout the term of this award, the recipient agrees that for any activities that are the subject of this categorical exclusion, it will inform NIJ of-- (1) any change(s) that it is considering making to the previously assessed activities that may be relevant to the environmental impacts of the activities; or (2) any proposed new activities or changed circumstances that may require assessment as to environmental impact, such as new activities that involve the use of chemicals or involve construction or major renovation. The recipient will not implement a proposed change or new activity until NIJ, with the assistance of the recipient, has completed any applicable environmental impact review requirements necessitated by the proposed change or new activity (or changed circumstances) and NIJ has concurred in the proposed change or new activity. This approval will not be unreasonably withheld as long as any requested modification(s) is consistent with eligible program purposes and found acceptable under an NIJ-conducted environmental impact review process.

34. The recipient agrees to comply with applicable requirements to report first-tier subawards of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients of award funds. Such data will be submitted to the FFATA Subaward Reporting System (FSRS). The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the Office of Justice Programs web site at <http://www.ojp.gov/funding/ffata.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here. This condition, and its reporting requirement, does not apply to grant awards made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).
35. The recipient may not obligate, expend, or draw down any award funds until: (1) it has provided to the grant manager for this OJP award either an "applicant disclosure of pending applications" for federal funding or a specific affirmative statement that no such pending applications (whether direct or indirect) exist, in accordance with the detailed instructions in the program solicitation, (2) OJP has completed its review of the information provided and of any supplemental information it may request, (3) the recipient has made any adjustments to the award that OJP may require to prevent or eliminate any inappropriate duplication of funding (e.g., budget modification, project scope adjustment), (4) if appropriate adjustments to a discretionary award cannot be made, the recipient has agreed in writing to any necessary reduction of the award amount in any amount sufficient to prevent duplication (as determined by OJP), and (5) a Grant Adjustment Notice has been issued removing this special condition.
36. The recipient may not obligate, expend, or draw down any funds under this award until a revised budget reflecting the final award amount has been received and approved by the National Institute of Justice, and a Grant Adjustment Notice (GAN) has been issued removing this condition.
