Three-Year Term Contract for Splicer Kits, Gel Caps and Related Components for the Materials and Supply Warehouse (for the Transportation Department) (Single Bid) (Citywide)

This contract will provide splicer kits, gel caps, wires, connectors and insulating kits for Transportation, Streetlights group. The splicer kits and related components are for new construction and the maintenance and repair of existing streetlights.

Business Services, Transportation and Purchasing recommend awarding the contract to the single, responsive and responsible bidder, Border States Electric, at \$33,000 annually, based on estimated requirements.

0967

Purchase of IT Security Infrastructure for Utilities Supervisory Control and Data Acquisition (SCADA) Network (Citywide)

Cyber-security risks in the current IT SCADA infrastructure were identified and prioritized according to threat impact and likelihood of occurrence.

From this, IT staff in collaboration with Water Resources and Energy Resources departments created a multi-year, three phased cyber-security risk remediation plan. Once all phases are complete the City will be fully compliant with the current Department of Homeland Security cyber-security recommendations. This request includes security infrastructure items to address phase one of the master plan.

Information Technology and Purchasing recommend authorizing purchases using the State of Arizona and National IPA contract agreements with the following vendors: Enterprise Network Solution (a Mesa business), at \$160,311.00, EMC Corporation, at \$31,395.10, Insight Public Sector, at \$15,951.02, SHI International, at \$21,574.08; and CDW-G, at \$6,433.07; and through normal purchasing processes: Technical Marketing Mfg., Inc., at \$9,172.00 and Accuvant, at \$9,812.65; for the combined total award of \$254,648.92.
