

City Council Report

Date: January 26, 2015
To: City Council
Through: Alex Deshuk, Manager of Technology and Innovation
From: Edward Quedens, MPA, C.P.M., CPPO, Business Services Director
Matt Bauer, MBA, CPPO, CPPB, CPSM, Procurement Administrator
Subject: Pump Repairs for FlowRider at Rhodes Aquatics Complex as Requested by the Parks, Recreation and Commercial Facilities Department **(District 3)**

Purpose and Recommendation

Council is requested to approve a contract for Pump Repairs for FlowRider at Rhodes Aquatics Complex as recommended.

Parks, Recreation and Commercial Facilities and Purchasing recommend awarding the contract to Precision Electric Co., Inc. at \$25,530.19.

Background / Discussion

Parks, Recreation and Commercial Facilities (PRCF) obtained three quotes for the annual preventative maintenance and repairs for the FlowRider. Precision Electric Co. quoted the lowest pricing for this work, and PRCF obtained a purchase order in the amount of \$18,541.25.

While performing the preventative maintenance, Precision Electric Co. inspected and found that one of two the pumps will require additional repair work. There was loss of oil and water in the oil, in the chamber of Pump #0665.000-5737. This will require repair of the faulty seals and varnishing the motor windings. PRCF has requested to increase the purchase order by \$6,988.94 for the additional repair work needed to bring the FlowRider back to a functional state.

Alternatives

Council may choose not to authorize the purchase and new responses will be solicited.

Fiscal Impact

This purchase is funded by the Parks, Recreation and Commercial Facilities department operating budget.

Coordinated With

Parks, Recreation and Commercial Facilities and Purchasing

AWARD RECOMMENDATION

Precision Electric Co.

Phoenix, AZ
