Subject: Purchase of 78 Replacement Combustible Gas Indicators for the Energy and Water Resources Departments (Funded by the Utility Replacement Extension & Renewal Fund) **(Citywide)**

Purpose and Recommendation

Council is requested to approve a contract for the purchase of 78 Replacement Combustible Gas Indicators (CGI's) as recommended.

Energy Resources, Water Resources and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Tri-Pacific Supply, Inc. at \$70,012.80.

Background / Discussion

This purchase will provide replacement equipment, including 70 CGI's and 8 gas leak survey instruments, for use by the Energy and Water Resources Departments. CGI's are used to detect, pinpoint, and classify gas leaks as well as detect carbon monoxide. CGI's are required to perform natural gas leak surveys and to meet federally mandated regulations.

Alternatives

Council may choose not to award the purchase and new bids will be obtained.

Fiscal Impact

The total amount is funded by the Utility Replacement Extension & Renewal Fund.
