

City Council Report

Date: April 20, 2015
To: City Council
Through: Alex Deshuk, Manager of Technology and Innovation
From: Edward Quedens, MPA, C.P.M., CPPO, Business Services Director
Matt Bauer, MBA, CPPO, CPPB, CPSM, Procurement Administrator
Subject: Three-Year Term Contract for Debris Collection and Disposal Services for the Transportation Department **(Citywide)**

Purpose and Recommendation

Council is requested to approve the Term Contract for Debris Collection and Disposal Services as recommended.

Transportation and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, King Concrete, Inc. (a Mesa business) at \$185,000.00 annually, based on estimated requirements.

Background / Discussion

This contract will provide for the pick-up, hauling and disposal of debris at various locations within City limits, including alleys, vacant lots, drainage channels, retention basins, City streets, City facilities, and a variety of City properties to protect and to ensure public safety. Other locations include but are not limited to: privately owned property, commercial property and property owned by other government agencies, all for which permission to enter has been obtained. Services include but not limited to: the pick-up, removal, hauling and disposal of debris. Debris may include, but not be limited to: vegetation, household furniture, appliances, construction waste, tires, paper/cardboard and miscellaneous debris.

Alternatives

Council may choose not to authorize the purchase and new responses will be solicited.

Fiscal Impact

The annual contract amount is funded by the Transportation Department operating budget through Local Streets Sales Taxes.
