TERMS AND CONDITIONS

See Terms and Conditions for the Sale of Utilities.

All water that is collected in the customer's sewer must be discharged through a single outfall. This schedule shall not apply where the customer's sewer system includes additional unmetered outfalls, which require wastewater billing based on water delivered.

The Customer shall be responsible for all costs associated with the purchase, installation and maintenance of City approved meters in an approved location. Construction plans must be approved by the applicable City Departments before any purchase of the meters and their installation can proceed.

CUSTOMER ELIGIBILITY

In addition to the requirements set forth above regarding Terms and Conditions, a Customer must satisfy the following conditions to be and remain eligible to receive service under this Schedule:

Customers must discharge a minimum of an average annual volume of wastewater discharged through the outfall of 3,000 kgal (or an anticipated volume in such amount if a new customer or a customer with less than twelve (12) months of billing history).

In addition, Customers must either: (i) be regulated as Industrial Users under Title 8, Chapter 4 of the Mesa City Code and receive water service from the City with an average annual billed water demand at the same location as the sewer outfall (in thousands of gallons or "kgal") of equal to or greater than 11,000 kgal (not including water delivered under Landscape, Fire or Large Turf services), or if a new customer or a customer an anticipated average annual billed usage of equal to or greater than such amount; or (ii) discharge water not delivered by the City (regardless of regulatory status).
