

FY 15/16 Transit Services Proposed Buzz Modification

City Council Study Session

May 18, 2015

Proposed Buzz Modification

Current Route - BUZZ

Proposed Route - BUZZ

Buzz Modification

- Pilot Project between October 26, 2015 and April 24, 2016
- Approximate Cost: \$64,000
- Funding will come from savings realized in bus service improvements at the start of light rail operations
- Part of Valley Metro Service Change process
 - Public comment period and public hearing
 - Targeted outreach will be done on the portion of the route proposed for elimination
