RE: Item Z15-026: West of the NWC of Southern and Sossaman

Dear Lesley:

This firm represents KB Homes in conjunction with the above-referenced zoning case. On behalf of our client, we respectfully request that this case be continued from the August 19, 2015 Planning and Zoning Board agenda to the September 16, 2015 Planning and Zoning Board regular meeting.

We are continuing to work with the City and surrounding Property owners on a few outstanding issues and accordingly request that Z15-026 be continued to September 16, 2015.

We appreciate your assistance in this matter.

Sincerely,

Sean B. Lake
