Re: My Doctor Now - 1982 W. Main St. ste #101-104

Dear Planning Director:

Regarding plan check #BLD 2015-04714 Tri City Pavilion shopping center located at 1982 W. Main St. ste#101-104 was a free standing existing pad. When the City of Mesa approved the CSP for this site the pad was able to use 48" letters. The pad has now been reverted back to a 2 tenant building and the CSP reverts us back to 18" to 24" letters.

Arizona Commercial signs is requesting a change to the existing CSP at this address 1982 W. Main St. ste# 101-104 so the south elevation logo can be a 60" logo. Arizona Commercial Signs is requesting the North elevation logo be changed to a 60" logo as well. The sign logo is the corporate branding and is to be used statewide and nationally. Any future retail business that wishes to use just lettering may go up to 60" with one to two lines of copy.
