Actions:

In order to provide effective citizen participation in conjunction with this application, the following actions were taken to provide opportunities for feedback from surrounding property owners:

1. A neighborhood meeting was held on September 22, 2015 with property owners, citizens and interested parties to discuss the proposed project. The notification list for the neighborhood meeting will included 1) all property owners within 1000' of the subject property west. Additionally, registered neighborhood contacts within 1/2-mile of the property were also notified (the registered neighborhood contacts list was obtained from the City of Mesa Neighborhood Outreach Division). A copy of the notification map and notification mailing list are attached to this plan.

2. An e-mail distribution list was collected at the neighborhood meeting in an effort to have continued dialogue with those in attendance at the meeting concerning changes, if any, to the proposed development plans.
