Re.: Justification and Compatibility Statement.

We are requesting an occupancy group change on this existing 2-stories, 15,228 sf (approx.) building. Currently this building has been used by 'Save the Family Foundation of Arizona', a non-profit organization and our intention is to use it as a church. The parking lot with 54 existing spaces including 2 h.c.

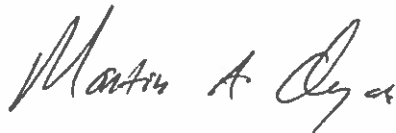

There will be no site improvements or demolitions other than parking lot resurfacing, space markings and landscape improvements.

There will be no exterior changes to the existing building.

Please do not hesitate to contact me in case you have any questions or comments.

Thanks.

Sincerely,

A handwritten signature in black ink, appearing to read "Martin A. Quijada". The signature is fluid and cursive, with the first name "Martin" being the most prominent.
