

City Council Report

Date: July 5, 2016
To: City Council
Through: Alex Deshuk, Chief Innovation Officer
From: Edward Quedens, MPA, C.P.M., CPPO, Business Services Director
Matt Bauer, MBA, CPPO, CPPB, CPSM, Procurement Administrator
Subject: Purchase of 21 Replacement Precast Electric Vault Tops and Associated Services for the Energy Resources Department (Funded by authorized 2014 Electric Bonds) **(Citywide)**

Purpose and Recommendation

Council is requested to approve the Purchase of 21 Replacement Precast Electric Vault Tops and Associated Services as recommended.

The Energy Resources Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Oldcastle Precast Inc. at \$172,006.76.

Background / Discussion

This purchase will provide a supply of 21 select vault tops and related services required to replace damaged and deteriorated vault lids that are a safety hazard or threat to electric service reliability. These vault tops are needed immediately while we await the completion of specifications that will allow the competitive bidding for a contract for all vault components required for the construction and installation of new vaults, for components used in the repair and maintenance of existing vaults, and the supply of distribution transformers and switch pads.

Alternatives

Council may choose not to authorize the purchase and new responses will be solicited.

Fiscal Impact

This purchase is funded by authorized 2014 Electric Bonds (CP04590002-104).

Coordinated With

Energy Resources – Electric Utility and Purchasing
