This is music to my ears! I support this plan (what little I know of the general plan). Unfortunately I will be out of town for the meeting.

We have revised the site plan to provide for the bakery (to remain) and 2 single story office buildings. To be clear, the drive through restaurant has been removed from the proposed site plan. The revised site plan and an invitation to the follow-up neighborhood meeting are attached to this email. You should also be receiving in the mail (or perhaps have already received it), a hard copy of this same letter and site plan. Please contact me with any questions. Thank you.
