

City Council Report

Date: August 22, 2016
To: City Council
Through: Mike Kennington, Chief Financial Officer
From: Edward Quedens, MPA, C.P.M., CPPO, Business Services Director
Matt Bauer, MBA, CPPO, CPPB, CPSM, Procurement Administrator
Subject: Three-Year Term Contract for Streetlight and Traffic Signal Poles, Mast Arms and Anchor Bolts for the Materials and Supply Warehouse (for the Transportation Department) **(Citywide)**

Purpose and Recommendation

Council is requested to approve the Term Contract for Streetlight and Traffic Signal Poles, Mast Arms and Anchor Bolts as recommended.

The Business Services and Transportation Departments, and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidders: A & M Nut and Bolt, Inc.; Cem-Tec Corporation; and Valmont Industries, Inc.; cumulatively not to exceed \$476,500.00 annually, based on estimated requirements.

Background / Discussion

This contract will provide streetlight and traffic signal poles, mast arms and anchor bolts. Streetlight and traffic signal poles are used for maintenance/replacement of existing poles as well as to be supplied to the contractor when the Transportation Department constructs smaller projects in-house. All bid items must comply with the latest City of Mesa Standard Detail Specifications and ADOT Traffic Signal & Lighting Standard Drawings.

Alternatives

Council may choose not to authorize the purchase and new responses will be solicited.

Fiscal Impact

The annual contract amount is available in the Materials and Supply operating budget through the Warehouse Internal Service Fund.

Coordinated With

Business Services - Materials and Supply, Transportation and Purchasing
