

Citizen Participation Plan for Pasadena Estates

June 6, 2016

Purpose: The purpose of this Citizen Participation Plan is to inform citizens, property owners, neighbor associations, agencies, schools and businesses in the vicinity of the site of an application for Pasadena Estates. This site is located at 523 South Pasadena, located to the southwest of the nearest major intersection at Broadway Road and Mesa Drive, and comprises 1.67 acres (1.58 net acres). The application will include a combined Rezoning with Site Plan Review and a separate, concurrent Design Review. The zoning request to consolidate the currently mixed zoning of RM-3 and RM-2 on four parcels (139-36-065A, -065C, -067, and -069) as RM-2 with a Bonus Intensity Zone (BIZ) overlay for 16 attached single family housing units grouped in three building clusters. This plan will ensure that those affected by this application will have an adequate opportunity to learn about and comment on the proposal.

Pre-application Meeting: The pre-application meeting with City of Mesa planning staff was held on February 29, 2016. Staff reviewed the application and provided comments for consideration when making the formal application.

Action Plan: In order to provide effective citizen participation in conjunction with the application, the following actions will be taken to provide opportunities to understand and address any real or perceived concerns that members of the community may have regarding potential impacts from the proposed development.

1. A contact list will be developed for citizens and agencies in this area including:
 - All registered neighborhood associations within one mile of the project.
 - Homeowners Associations within one half mile of the project.
 - Interested neighbors and property owners within 500 feet of the site.
 - Mesa School District and nearby registered neighborhoods.
2. All persons listed on the contact list will receive a letter describing the project, project schedule, site plan and invitation to a neighborhood meeting to be held at a public meeting facility conveniently located in relationship to the subject property.
3. A Neighborhood Meeting will be conducted. This meeting will involve an introduction and presentation of the project with graphic exhibits. Following the presentation, a question and answer session will be conducted where residents will have an opportunity to ask questions and state concerns.
