[illegible]

Technical drawing of a rectangular building footprint. The overall dimensions are 28'-0" wide by 28'-0" deep. The drawing shows a central rectangular area with a double-line border. The top and bottom edges of the central area are 28'-0" long. The left and right edges of the central area are 28'-0" long. The drawing includes various dimension lines and labels indicating the overall size and internal structure.

[illegible]

Architectural elevation drawing of a building facade. The drawing shows a symmetrical structure with a pedimented roof. The roof is covered in a pattern of small squares, representing tiles. A small square with a diagonal line is located on the right side of the roof. The facade features three square windows, each labeled "10'0\"/>
