PROBLEM IDENTIFICATION AND RESOLUTION:**Agency Background:**

The City of Mesa is the third largest city in the State of Arizona, with a population of nearly 440,000 residents. The City of Mesa's street system is comprised of over 1,400 miles of arterial and residential roadways. There are currently 441 controlled intersections within the incorporated portions of the City of Mesa. The incorporated portion of the City of Mesa comprises over 128 square miles of land area. Currently, the U.S. 60 and the Loop 202 Freeways pass through the City of Mesa, while the Loop 101 borders the western boundary of the City. The City is also connected to State Route 87, and the Bush Highway.

The Mesa Police Department is a founding member of the East Valley DUI Task Force and an active participant in GOHS Task Force operations. Department personnel work hard and are dedicated to improving traffic safety in the City of Mesa. As a result, the Mesa Police Department is consistently recognized as one of the top producing agencies in Arizona.

Agency Problem:

The crime of driving while impaired by drugs or alcohol is preventable, however, nationwide there is an impaired driving fatality every 51 minutes. In 2015 there were 16 fatal crashes and 1,832 injury crashes in the City of Mesa. Impairment was a factor in 270 of the crashes.

The Mesa Police Department regularly balances education and enforcement activities. These activities compete for finite Department resources. Continued support is required in order to meet the needs of those the Department serves. With the requested funding, the Mesa Police Department will be able to support each facet of its DUI program. DUI education will increase. Enforcement efforts will be extended into the weekend nighttime hours. Without the continued support and additional funding, the amount of time devoted to this important mission will be reduced.

Agency Attempts to Solve Problem:

The City of Mesa Traffic Plan is based on the three E's of traffic safety – education, enforcement, and Engineering. DUI enforcement continues to be a primary objective in the City of Mesa Traffic Plan. The Traffic Section's priority is to aggressively remove impaired drivers through high visibility traffic enforcement. DUI enforcement activities included participation in each of the GOHS East Valley DUI Task Force details, partnering with valley law enforcement agencies for special youth alcohol, and DUI enforcement activities and regular DUI saturation patrols within the City of Mesa.

Agency Funding:

State DUI Abatement (E) funds will support Personnel Services (Overtime) and Employee Related Expenses to enhance DUI Enforcement Overtime throughout the City of Mesa.

How Agency Will Solve Problem With Funding:

The Impaired Driving or Operating Program Goal of Mesa PD is to reduce the incidence of alcohol and drug related driving, fatalities, and injuries through enforcement, education, and public awareness. Law Enforcement personnel will participate in Impaired Driving, or Operating Enforcement/DUI activities including DUI Task Force operations regular DUI saturation patrols. Mesa PD will also engage in public education campaigns throughout the grant project period, including but not limited to, Know Your Limit Details.

State DUI Abatement (E) funds will support Personnel Services (Overtime) and Employee Related Expenses to enhance DUI Enforcement Overtime throughout the City of Mesa.

BAC TESTING AND REPORTING REQUIREMENTS:

Alcohol impairment is a major contributing factor in fatality and serious injury motor vehicle collisions. Accurate data on alcohol involvement is essential to understanding the full extent of the role of alcohol and to assess progress toward reducing impaired driving.

Arizona is presently and consistently below the documented average among the states in the Blood Alcohol (BAC) testing of drivers involved in fatal motor vehicle collisions.

Each law enforcement agency that receives an enforcement-related grant is required to ensure that this accurate data on all drivers involved are reported. Failure to comply may result in withholding funds and cancellation of the enforcement contract until this requirement is met.
