RE: Board of Adjustment Case BA16-066
Substantial Conformance Improvement Permit - 4755 E Main Street (PLN2016-00738)

Respondent Report

We have received a total of two responses (via telephone).

1. The respondent stated they were out of state and would not attend the public hearing, but had no issues with the project.
2. The respondent stated they would not attend the public hearing and again had no issues with the project.

Respectfully,

James Wesala, AIA. NCARB
Project Architect
