

REQUEST FOR RESOLUTION

TO: City of Mesa City Council

SUBJECT: Formation of an Irrigation Water Delivery District- Sherwood Mesa Irrigation, LLC

Location: Sherwood Mesa lots that use the irrigation system are generally bounded by University Dr. on the North, Main St. on the South, Stapley Dr. on the West and Lazona Dr. on the East.

Reason: ARS Title 48 Chapter 202 Art 10, 48-26J-E requires a person (or group of persons in this case) desiring to propose the creation of a District to obtain the endorsement of the District by the City within which the district is located prior to submitting to the County Board of Supervisors for approval.

Background: The Sherwood Mesa Irrigation Committee has reviewed the benefits and costs associated with the formation of an Irrigation Water Delivery District (IWDD) and have agreed by majority vote of the members that it is in the best interest of the neighborhood and its members to form a District. The undersigned was appointed Chairperson of the IWDD Steering Committee, the purpose being to prepare and submit all necessary requests and materials to the authorities to seek the required approvals and cause the District to be formed.

Purpose: Improve the maintenance and operation of the irrigation systems thereby reducing:

1. Street Flooding
2. Risk of flooding into homes and structures on individual lots
3. Reduce the waste of water resources caused by leaks and improper operation of valves and gates.

Request: The Mesa City Council is requested to endorse the creation of an Irrigation Water Delivery District by Sherwood Mesa Irrigation, LLC.
