In order to utilize this license, they must complete all of the steps necessary to comply with the lottery requirements. One of the steps they must complete is to seek the recommendation for approval from the City of Mesa. If the Nile is ultimately approved to use the Series 7 license by the State, they will be allowed to sell only beer and wine for on-site consumption and off-site use. They currently have an active series 6 license that allows them to sell all types of liquor on and off premise. The Nile will have their series 6 license placed into an inactive status with the State and City if the series 7 license is approved.
