

Planned Job Order Projects (12/08/2016)

No.	Project Name/Address	Project Description	Estimated Construction Cost	Funding Source	Estimated Start Date (Mnth/Yr)	Contractor	District
1	Greenfield Water Reclamation Plant Primary Sludge Screening Conveyor / 4400 S. Greenfield Road	This project will install a sludge conveyor and associated improvements in the existing Plant facilities to allow for a 3 month evaluation period for each of the Huber Sludge Screen system and Hydro International Sludge Screen systems (6 months total). Also included is the rental cost for the equipment during the evaluation period. This pilot program will allow the City to determine which system will best meet the needs of the Plant.	\$125,000.00	Greenfield WRP Joint Venture	Dec-16	Felix	6
