**Date:** January 9, 2017  
**To:** City Council  
**Through:** Mike Kennington, Chief Financial Officer  
**From:** Edward Quedens, MPA, C.P.M., CPPO, Business Services Director  
Matt Bauer, MBA, CPPO, CPPB, CPSM, Procurement Administrator  
**Subject:** Purchase of Four Replacement Vehicles for the Police Department **(Funded by Asset Forfeiture (RICO) Funds) (Citywide)**

## Purpose and Recommendation

Council is requested to approve the Purchase of Four Replacement Vehicles as recommended.

The Police Department and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contracts with Larry Miller Toyota at \$102,370.57; and San Tan Ford at \$32,230.73; for the combined total of \$134,601.30.

## Background / Discussion

This purchase will provide four replacement vehicles for the Police Department's Special Operations Unit. The four vehicles being replaced are part of the ongoing City of Mesa vehicle replacement program managed by Fleet Services. The vehicles being replaced have met established criteria and will be retired and sold at auction.

The State contract was competitively bid, allows cooperative use and meets the City's procurement requirements. Using the cooperative contract provides volume based pricing beneficial to City. It is unlikely that competitively bidding these vehicles will produce better pricing or significant savings than through the cooperative contract.

## Alternatives

Council may choose not to authorize the purchase and new responses will be solicited.

## Fiscal Impact

This purchase is available in the Police Department operating budget through RICO (Asset Forfeiture) Funds.
