Subject: Case No. BA17-017 1440 N. Crismon Rd.

TO THE MESA CITY ADJUSTMENT BOARD AND OTHERS WHOM IT MAY CONCERN IN MESA GOVERNMENT

We have lived in The Cholla Estates for approximately 17 years and have known our Neighbors, Mark & Debbie Schmucker even longer. We love our home and plan on living here for years to come. We feel that the guest house and barn/shop they have built has added value to their property. We however, want the assurance that said property (approximately five acres) will never be subdivided.

Sincerely,

Bryan and Penny Pace
