

Planned Job Order Projects (02/16/2017)

No.	Project Name/Address	Project Description	Estimated Construction Cost	Funding Source	Estimated Start Date (Mnth/Yr)	Contractor	District
1	Southeast Water Reclamation Plant Invent Mixer Installation Phase II / 6308 E. Baseline Rd	Replace 3 existing submersible aeration basin mixers with new Invent HyperClassic mixers with above water drives. This is a 2nd Council notification for the project. Additional work is required due to discovering that when the aeration basin was drained, the exisitng wall coatings were deteriorating and delaminating and needed to be removed prior to start-up of the new mixers. This notification increases the project budget by \$100,000.	Original Amount \$280,000 Revised Amount \$380,000	2010 Wastewater Bonds	Feb-17	Felix	6
