- REIMBURSEMENT AGREEMENT -

This Reimbursement Agreement ("Agreement") is made and entered into this ____ day of _____, 20__ by and between the City of Mesa, a Municipal Corporation, hereinafter referred to as Mesa, and *DMB Mesa Proving Grounds LLC, a Delaware Limited Liability Company*, hereinafter referred to as Developer.

RECITALS:

Whereas, Developer intends to develop certain real property known as *Eastmark* located at *5014 South Signal Butte Road*, Mesa, Arizona, as a *Residential Development*, and as more particularly described on Exhibit "A" attached hereto (the "Property"), and

Whereas, Developer is the owner of the Property, and

Whereas, Developer shall be required by Mesa to cause, in conjunction with the development of the Property, the design, installation and/or construction of certain specific offsite improvements ("Public Improvements") as identified on Mesa approved engineering drawing(s) A184025 through A184048, and

Whereas, said development of the Property creates a fundamental need for Public Improvements from which Developer's Property shall derive specific benefits, and

Whereas, said Public Improvements are also required to promote the public interest and for the purpose of ensuring that Mesa's minimum standards for utility service, and infrastructure are maintained, and

Whereas, because certain required Public Improvements are needed to meet regional as well as local demands ("Public Improvements"), Developer seeks Mesa's proportional financial participation ("City Participation") in the additional costs incurred beyond Developer's fair share, and

Whereas, Arizona law mandates that when City Participation for a single development is estimated to exceed a specific dollar amount as defined in A.R.S. §34-201(G), (the "Cost Limit"), all Public Improvements that qualify for City Participation shall be offered through the public bidding process as administered by Mesa, including

Developer's execution of a contract with the lowest qualified bidder ("Low Bidder") at unit prices as identified by Mesa, and

Whereas, if Developer declines to offer all Public Improvements that qualify for City Participation through the public bidding process as administered by Mesa, City Participation shall be limited to the Cost Limit, which Developer and Mesa agree to be One Hundred Twelve Thousand dollars (\$112,000) for purposes of this Agreement, and

Whereas, Developer's and Mesa's obligations for Public Improvements and City Participation pertaining to this Property are generally described as follows:

DEVELOPER'S PUBLIC IMPROVEMENTS OBLIGATIONS:

Subject to Mesa's obligations as described in this Agreement and Exhibit "B" attached hereto, Developer shall be responsible for all costs associated with the design, installation and/or construction of all Public Improvements as identified on Mesa approved engineering drawing(s) A184025 through A184048 and specifically assigned to Developer as identified in Exhibit "B" (Developer's Costs).

MESA'S CITY PARTICIPATION OBLIGATIONS:

Subject to Developer's Public Improvements obligations as described in this Agreement and Exhibit "B" attached hereto, Mesa shall reimburse Developer for specific costs relating to the design, installation and/or construction of Public Improvements as identified on Mesa approved engineering drawing(s) A184025 through A184048 and specifically assigned to Mesa as identified in Exhibit "B" (Mesa's Costs).

AGREEMENT:

Now, therefore, in consideration of the foregoing recitals and representations and the mutual promises and covenants in this Agreement, it is agreed as follows:

1. The foregoing Recitals are confirmed to be true and accurate and are hereby incorporated by reference into this Agreement.
2. Mesa agrees:
 - 2.1 To accept financial responsibility for reimbursement to Developer only for those costs for items specifically identified as Public Improvements in this Agreement and assigned to Mesa as identified in Exhibit "B" (Mesa's costs).
 - 2.1.1 If the contract for Public Improvements is publicly bid, Mesa's costs shall be limited to only those costs identified in Exhibit "B," with quantities to be verified by Mesa in accordance with progress payment procedures, and to any additional costs approved by an authorized representative of Mesa on an executed change order pursuant to the Developer/Low Bidder Contract. All other costs and

liabilities known and unknown shall remain that of Developer.

2.1.2 If the contract for Public Improvements is not publicly bid, Mesa's Costs shall be limited to the unit costs incurred for only those items identified in Exhibit "B" as Mesa's Costs. There shall be no cost adjustments, and MESA shall pay for only actual quantities used for Public Improvements. In no event shall Mesa's Costs exceed the Cost Limit. All other costs and liabilities known and unknown shall remain that of Developer. Further, paragraphs 2.2 and 2.3 of this Agreement apply only to contracts that publicly bid.

2.2 To financially participate in Developer's costs for Public Improvements only as described in this Agreement and identified as Mesa's costs on Exhibit "B", by reimbursing Developer for the Public Improvements.

2.3

2.4 To assume ownership of all Public Improvements and to control and maintain same as a part of Mesa facilities, after completion and Acceptance.

3. Developer agrees:

3.1 To offer all Public Improvements that qualify for City Participation through the public bidding process as administered by Mesa, or private bidding process administered by Developer (in which case City Reimbursement shall be limited to the Cost Limit). If the contract for Public Improvements is not publicly bid, Sections 3.2 through 3.5 of this Agreement do not apply.

3.2 To execute a contract with Low Bidder (utilizing Mesa's contract documents as contained in the public bid package) for the exact unit costs related to said Public Improvements as identified in Low Bidder's proposal received during the public bidding process.

3.3 To provide Mesa with copies of said contract with Low Bidder, clearly identifying the unit costs of said Public Improvements, prior to issuance of the first Rights-of-Way permit to be issued in conjunction with the installation or construction of the Public Improvements.

3.4 To comply with all aspects of Mesa's policy and procedures for City

Participation in said Public Improvements as prescribed in this Agreement by making formal written progress payment requests to the office of the Development Sustainability Department's Development Planning Specialist on or before the monthly payment cycle date.

3.5 To provide Mesa with proof-of-payment to Low Bidder by Developer for Public Improvements as a part of reimbursement payment request.

3.6 To provide Mesa with copies of all invoices, lien releases, and proof-of-payment(s) with the formal written request for final City reimbursement payment.

3.7 To accept financial responsibility for all Public Improvements, and liabilities known and unknown, other than City Participation in Public Improvements costs specifically assigned to Mesa as identified in this Agreement and Exhibit "B" (Mesa Costs).

3.8 To bear all risk of loss, damage, or failure to the Public Improvements until Acceptance.

3.9 To assign to Mesa, at Mesa's request, all of Developer's rights and privileges respecting warranty and maintenance of the Public Improvements, following Mesa's Acceptance of the Public Improvements.

3.10 To defend, indemnify, and hold harmless Mesa from any and all claims, demands, costs, expenses, damages, losses, obligations, judgments, or lawsuits that arise from or relate in any way to any act or omission by Developer or its contractors or agents undertaken in fulfillment of Developer's obligations under this Agreement.

3.11 To the extent applicable under A.R.S. § 41-4401 and 23-214, Developer represents and warrants compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-verify requirements of A.R.S. 23-214(A). Breach of the above-mentioned warranty shall be deemed a material breach of the Agreement and may result in the termination of the Agreement by City. The City retains the legal right to randomly inspect the papers and records of any employee who works under this Agreement to ensure compliance with the above-mentioned laws.

4. Miscellaneous:

4.1 This Agreement shall be governed by and construed in accordance with the laws of the State of Arizona.

4.2 Time is of the essence with respect to the performance of each of the

obligations, covenants and agreements contained in this Agreement.

4.3 This Agreement shall automatically terminate when the first of the following three events occurs:

4.3.1 Satisfaction of each parties responsibilities as set forth in the Agreement.

4.3.2 One year after all construction required under this Agreement is accepted by City.

4.3.3 Five years after the date this Agreement is entered into, if neither party has materially performed under this agreement nor taken any actions to their detriment in reliance on this Agreement.

4.4 In the event that either party defaults in the performance of its obligations contained in this Agreement, the non-defaulting party shall have all remedies available at law and at equity, according to the laws of the State of Arizona.

4.4.1 Default. Failure or unreasonable delay by either party to perform or otherwise act in accordance with any term or provision hereof shall constitute a breach of this Agreement. The non-breaching party shall notify the breaching party in writing of the breach, specify the nature of the alleged breach and the manner in which said breach may be satisfactorily cured, if possible. If the breach can be, but is not, cured within thirty (30) days after written notice thereof (the "Cure Period"), the breach shall constitute a default under this Agreement.

4.4.2 Nothing contained in Section 4.3.1 is intended to limit Mesa's right to declare a default or terminate this Agreement immediately in the event any act or omission by Developer or its contractor in connection with this Agreement poses an unreasonable risk of harm or liability to Mesa or the public.

4.5 This Agreement shall be binding upon the parties hereto and their respective successors and assigns. Developer may not assign its interests hereunder to any successor-in-interest of all or any portion of the Property without the prior written consent of Mesa, which consent shall not be unreasonably withheld. Any such assignment shall, at a minimum, include a written agreement of the assignee to perform Developer's obligations as set forth in this Agreement.

4.6 The individuals executing this Agreement on behalf of the parties hereto represent that they have authority to execute this Agreement on behalf of such parties, and upon execution by the last party, this Agreement shall be binding. No

later than ten (10) days after Mesa and Developer have executed this Agreement it shall be recorded in its entirety in the official records of Maricopa County, Arizona.

4.7 Nothing in this Agreement shall be deemed as creating a joint venture, partnership, or any other cooperative or joint arrangement between Developer and Mesa. Until Mesa accepts ownership of the Public Improvements, Mesa's sole responsibility shall be to assist in funding the construction cost of the Public Improvements pursuant to this Agreement.

4.7.1 Developer and Mesa agree that the benefits of this contract are solely intended for Mesa and Developer. No contractor, Low Bidder or otherwise, nor anyone working for or supplying to such contractor, is intended to be a third party beneficiary of this Agreement.

4.8 Developer acknowledges that changes requested by Mesa shall only be done by formal written approval through the Development and Sustainability Department Director. Developer further acknowledges that any changes requested either by Developer or Mesa may require Developer to put all Public Improvements through the public bidding process.

4.9 Attorneys' Fees. In the event it becomes necessary for Mesa or Developer to employ legal counsel or to bring any action or proceeding to enforce any provisions hereof, the prevailing party shall be entitled to recover its costs and expenses incurred, including reasonable attorneys' fees.
