PILOT PROGRAM: RESIDENTIAL SERVICE – ECONOMY – E1.11

APPLICATION

To eligible customers for electric service required for their residential purposes in either individual private dwellings or in individually metered apartments, when such service is supplied at one Point of Delivery and measured through one meter.

ELIGIBILITY

Subject to availability and approval by the Mesa Electric Utility, customers must satisfy the following conditions to be and remain eligible to receive service under this Schedule:

1. The electric utility account must be in the eligible customer's name, and that customer of record must be a full time permanent resident at the dwelling where service is supplied.
2. Customer of record must complete and submit the City's application for the Pilot Program; completed applications are subject to approval by City and must include all requested information. Information is subject to verification by City.
3. Eligible customers will be provided service under this Schedule for 12 months. Annual recertification will be required for the eligibility of rates under this Schedule (if available) to continue. As this service is a Pilot Program, there is no guarantee of continued eligibility or availability and there will be limits on the number of customers who may participate.
4. Eligibility of service under this Schedule is limited to customers of record with total verified household income (income from all sources) at or below twenty seven thousand dollars (\$27,000.00) annually.
5. The Mesa Electric Utility may include consideration of household size in relation to income as well as federal poverty guidelines to determine whether customers receive service under this Schedule. Preference will be made for customers who require life support, are disabled, or have other vulnerabilities.
6. Any customer no longer deemed eligible for service under this Schedule shall be billed, beginning the first month after ineligibility, at E1.1.

TERMS AND CONDITIONS

See Schedule ETC-SO: Terms and Conditions for Standard Offer and Direct Access Services.

See Schedule TC-DA: Terms and Conditions for Direct Access Services.

City of Mesa Rules and Regulations – Utility Department – Electric Division.

Terms and Conditions for the Sale of Utilities

Additional Terms and Conditions:

- (i) Limited to three (3) consecutive years per eligible Customer.
- (ii) The Customer must sign a three-year agreement evidencing the commitment through the 3 year period to meeting the eligibility criteria, including promises to continue operating within the City of Mesa; to meet or increase their initial level of electric consumption; and to use reasonable efforts to increase the number of jobs that are part of their business operations within the City.
- (iii) Customers may apply for the small business utility rate only within their first year of operation.
- (iv) Customers may only participate once.
- (v) Customers that do not maintain or increase their total average annual utility usage from their first year receiving the rate may be required to repay the City for the difference between this Schedule E3.6D and the otherwise applicable City electric rateschedule.
- (vi) The City may terminate, suspend or modify the rate for active and/or future participants should it serve the interests of the City.
- (vii) Customers may be required to obtain a financial instrument satisfactory to the City that protects the City from a default under the agreement and from the accumulation of delinquent and deficient charges of a Customer served under this RateSchedule.
- (viii) The customer becomes ineligible if it has less than two employees for a total of six months or more during any consecutive 12-month period, and may be required to repay the City for the difference between this Schedule and the otherwise applicable rate schedule.

ELIGIBILITY

Non-residential Customers with premises located inside the Central Business District and Town Center Redevelopment Area (CBD/TRA) are eligible for this Schedule provided the Customer and premises: (i) have an average total minimum actual or projected annual energy consumption of twelve thousand (12,000) kilowatt-hours (kWh) and a maximum of eight hundred thousand (800,000) kWh for up to the most recent twelve-month period; (ii) have a single point of delivery within the CBD/TRA measured through one meter for the billing of each utility service; (iii) meets the definition of a small business as stated by the U.S. Small Business Administration; (iv) consists of a use consistent with Mesa's adopted Form-Based Code or are located in a commercial or industrial zoned area where the Form-Based Code does not apply; and (v) employs the equivalent of at least two (2) full-time employee (FTE) positions (subject to verification through unemployment tax and wage reporting or comparable records). Customers must also be current on all utility bills and any other amounts owed the City.

INELIGIBILITY OR LOSS OF ELIGIBILITY

Customers that become ineligible for service under this rate schedule will be served under the otherwise applicable City Electric rate schedule. As set forth above Customer may be responsible for payment of back charges under the otherwise applicable City Electric rate Schedule for service provided under this Schedule which becomes ineligible. In addition, if the Customer's average electric use during the second year of the program or third year of the program is less than the Customer's average use the first year of the program, the Customer may be responsible for payment of the difference of consumption.
