Subject: Purchase of Microsoft Licensing to Upgrade the Transportation Department's Servers as Requested by the Information Technology Department **(Citywide)**

Purpose and Recommendation

Council is requested to approve the Purchase of Microsoft Licensing to Upgrade the Transportation Department's Servers recommended.

The Information Technology and Transportation Departments, and Purchasing recommend authorizing the purchase from the State of Arizona cooperative contract with CDW-G at \$84,793.24.

Background / Discussion

The Transportation Department - ITS (Intelligent Transportation Systems) Group is upgrading their core computing systems. The server equipment purchase approved by Council in November has been completed. This purchase is for the Windows Server operating system and Microsoft SQL database licensing to be used with the new hardware. This purchase will put the City's ITS Systems onto current fully-supported operating system and database product versions with support life-cycles appropriate for the new server hardware.

Alternatives

Council may choose not to authorize purchase.

Fiscal Impact

This purchase is funded by the Transportation Department operating budget.
