

# City Council Report

**Date:** September 11, 2017  
**To:** City Council  
**Through:** Michael Kennington, Chief Financial Officer  
**From:** Edward Quedens, MPA, C.P.M., CPPO, Business Services Director  
Matt Bauer, MBA, CPPO, CPPB, CPSM, Procurement Administrator  
**Subject:** Purchase of Workstation Furniture for the Police Department **(Citywide)**

## **Purpose and Recommendation**

Council is requested to approve the purchase of Modular Furniture and Workstations for the Police Department Evidence Section as recommended.

The Police Department and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Goodmans Inc. at \$31,524.74.

## **Background / Discussion**

The purchase will provide updated modular furniture and workstations for the Police Evidence section. The workstations in the evidence section are more than 20 years old and have reached the end of their useful life. New workstations will enhance and improve organizational efficiency as well as providing a modern and professional image. Herman Miller systems furniture is the city standard for modular furniture and is used throughout the City.

The State of Arizona contract was competitively bid, meets the City's procurement requirements, and allows for cooperative use. It is unlikely that competitive bidding will produce better pricing than through a cooperative contract due to the cumulative volume included in this contract. In addition, the City is satisfied with the Vendor's performance and believes it is in the City's best interest to purchase from this cooperative contract.

## **Alternatives**

Council may choose not to award the purchase and new quotes will be obtained.

## **Fiscal Impact**

This purchase will be funded with Lifecycle Capital – General Funds – Evidence Cubicle Replacements.
