PROJECT NUMBER 2017-DN-BX-0013

AWARD DATE 09/29/2017

SPECIAL CONDITIONS

1. Requirements of the award, remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or assurance related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and or 1621, and or 42 U.S.C. 3795a), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2017 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2017 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2017 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

3. Compliance with DOJ Grants Financial Guide

The recipient agrees to comply with the DOJ Grants Financial Guide as posted on the OJP website (currently, the "2015 DOJ Grants Financial Guide" available at https://ojp.gov/financialguide/DOJ_index.htm), including any updated version that may be posted during the period of performance.

SPECIAL CONDITIONS

4. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after-- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2015, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for purposes of this condition is available at <https://www.ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

5. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

6. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OJV, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

SPECIAL CONDITIONS

7. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/ExploreSAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

8. All subawards ("subgrants") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP web site at <https://ojp.gov/funding/ExploreSubawardAuthorization.htm> (Award condition: All subawards ("subgrants") must have specific federal authorization), and are incorporated by reference here.

9. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <https://ojp.gov/funding/ExploreNoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients ("subgrantees"), or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

11. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "2015 DOJ Grants Financial Guide").

12. Requirement for data on performance and effectiveness under the award

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

13. OJP Training Guiding Principles

Any training or training materials that the recipient -- or any subrecipient ("subgrantee") at any tier -- develops or delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <https://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

14. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not satisfactorily and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

15. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

18. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries. Part 38 of 28 C.F.R., a DOJ regulation, was amended effective May 4, 2016.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter I, Part 38, under e-CFR "current" data.

19. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2017, are set out at <https://ojp.gov/funding/Explore/FY17AppropriationsRestrictions.htm>, and are incorporated by reference here.

21. Reporting potential fraud, waste, and abuse, and similar misconduct

The recipient, and any subrecipients ("subgrantees") at any tier, must promptly refer to the DOJ Office of the Inspector General (OIG) any credible evidence that a principal, employee, agent, subrecipient, contractor, subcontractor, or other person has, in connection with funds under this award-- (1) submitted a claim that violates the False Claims Act, or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

1. In accepting this award, the recipient--

b. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

b. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

26. Privacy: quality assurance: CODIS/NDIS

The recipient shall ensure that each DNA analysis conducted and DNA profile generated under this award is maintained pursuant to all applicable Federal privacy requirements, including those described in 42 U.S.C. section 14132(b)(3).

The recipient shall ensure that all forensic DNA analyses conducted with funding under this award are performed either (1) by accredited government-owned laboratories, or (2) through accredited fee-for-service vendors. Accreditation must be by a nonprofit professional association of persons actively involved in forensic science that is nationally recognized within the forensic science community.

The recipient shall ensure that any laboratory that conducts forensic DNA analyses under this award undergoes external audits, not less than once every two years, that demonstrate compliance with the Quality Assurance Standards for Forensic DNA Testing Laboratories established by the Director of the Federal Bureau of Investigation.

The recipient shall ensure that all eligible forensic DNA profiles obtained with funding under this award will be entered into the Combined DNA Index System (CODIS), and, where applicable, uploaded to the National DNA Index System (NDIS). No profiles generated with funding from this award may be entered into any non-governmental database without prior express written approval from NIJ.

If any government-owned forensic laboratory that will receive funding under this award to conduct forensic DNA analyses is not a member of NDIS, the laboratory must have a written agreement in place with an NDIS-participating laboratory for the resulting eligible forensic DNA profiles to be entered into CODIS, and, where applicable, uploaded into NDIS.

If the recipient operates a state-designated DNA database laboratory, the recipient shall ensure that analyses of DNA database samples and reviews of associated DNA profiles conducted with funding under this award are performed by a laboratory that (1) is accredited by a nonprofit professional association of persons actively involved in forensic science that is nationally recognized within the forensic science community; and (2) undergoes external audits, not less than once every two years, that demonstrate compliance with the requirements of the Quality Assurance Standards for DNA Databasing Laboratories established by the Director of the Federal Bureau of Investigation. The recipient shall ensure that any DNA database samples analyzed with funding under this award are analyzed for all 20 CODIS core STR loci, using commercially available PCR kits accepted by NDIS. The recipient shall also ensure that all profiles obtained from DNA database samples with funding from this award are entered into CODIS within 90 days of completion of analysis, and uploaded into NDIS.

The recipient agrees to notify NIJ promptly upon any change in the accreditation status of any of the forensic science laboratories that receive funding under this award, or their participation in NDIS.

27. No research; nonsupplanting of State or local government funds

The recipient shall ensure that none of the funds provided under this award are used for research or statistical projects or activities as defined by 28 CFR Part 22 or for research as defined by 28 CFR Part 46. Any questions concerning this provision should be directed to the NIJ program manager for the award.

The recipient shall ensure that Federal funds made available through this award will not supplant State or local government funds, but instead will be used to increase the amount of funds that would, in the absence of Federal funds, be available from State or local government sources for activities funded through this award.

The recipient agrees to notify NIJ promptly if the recipient receives new State or local government funding for any of the purposes included in the approved application for this award.

28. The recipient agrees to notify NIJ promptly upon any significant reduction in the recipient's estimate of the number of backlogged forensic DNA cases that will be analyzed within twenty-four months using the funds provided under this fiscal year 2017 award, above and beyond those that will be analyzed using funds from other sources.

If applicable, the recipient agrees to notify NIJ promptly upon any significant reduction in the recipient's estimate of the number of DNA database samples that will be analyzed, or associated DNA profiles reviewed, within twenty-four months using the funds provided under this fiscal year 2017 award, above and beyond those that can be analyzed or reviewed using funds from other sources.

29. The recipient understands and agrees that gross income (revenues) from fees charged for DNA testing services constitutes program income (in whole or in part), and that program income must be determined, used, and documented in accordance with the provisions of 2 C.F.R. 200.307, including as applied to the NIJ DNA Capacity Enhancement and Backlog Reduction Program by the Department of Justice (DOJ) Grants Financial Guide, as it may be revised from time to time. The recipient further understands and agrees that both program income earned during the award period and expenditures of such program income must be reported on the quarterly and final Federal Financial Reports (SF 425) and are subject to audit.

The recipient understands and agrees that program income earned during the award period only may be expended only for permissible uses of funds specifically identified in the solicitation for the NIJ FY 2017 DNA Capacity Enhancement and Backlog Reduction Program. The recipient further understands and agrees that program income earned during the award period may not be used to supplant State or local government funds, but instead may be used only to increase the amount of funds that would, in the absence of Federal funds or program income, be available from State or local government sources for the permissible uses of funds listed in the FY 2017 program solicitation.

The recipient understands and agrees that program income that is earned during the final ninety (90) days of the award period may, if appropriate, be obligated (as well as expended) for permissible uses during the ninety-day (90-day) period following the end of the award period. The recipient further understands and agrees that any program income earned during the award period that is not obligated and expended within ninety (90) days of the end of the award period must be returned to OJP.

30. The recipient understands and agrees that, throughout the award period, it must promptly notify NIJ if it either starts or stops charging fees for DNA testing services, or if it revises its method of allocating fees received for DNA testing services to program income. Notice must be provided in writing to the NIJ program manager for the award within ten (10) business days of implementation of the change.
31. Absent prior express written approval from NIJ, rates for any lodging charged to the award may not exceed the posted GSA rate for the location. (If the recipient opts to obtain lodging at a higher rate, the cost differential, including associated taxes, may not be charged to the award.)
32. The recipient agrees that it will submit quarterly financial status reports to OJP on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form (available for viewing at www.whitehouse.gov/omb/grants/standard_forms/ff_report.pdf), not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the award period.
33. The recipient shall submit semiannual progress reports. Progress reports shall be submitted within 30 days after the end of the reporting periods, which are June 30 and December 31, for the life of the award. These reports will be submitted to the Office of Justice Programs, on-line through the Internet at <https://grants.ojp.usdoj.gov>.

These semiannual performance data will be submitted to the Office of Justice Programs, on-line through the Internet at <https://www.nijpmt.org>. With respect to such data, the reports should contain: (1) information regarding baseline performance metrics (for capacity enhancement projects -- the average number of days between the submission of a request for forensic biology DNA analysis to the laboratory and the delivery of the test results to the requesting agency at the beginning of the award period, and the average number of forensic DNA samples analyzed per analyst month at the beginning of the award period; for forensic casework DNA backlog reduction projects -- the number of backlogged forensic biology DNA cases at the beginning of the award period); (2) progress performance metrics (for capacity enhancement projects -- the average number of days between the submission of a request for forensic biology DNA analysis to the laboratory and the delivery of the test results to the requesting agency at the end of the reporting period, and the average number of forensic DNA samples analyzed per analyst month at the end of the reporting period; for forensic casework DNA backlog reduction projects -- the number of backlogged forensic biology DNA cases at the end of the reporting period, the number of forensic biology DNA cases analyzed during the reporting period using funds provided under this award, and the number of DNA profiles from forensic analyses entered into CODIS during the reporting period as a result of the funds provided under this award); and (3) impact performance metrics (for forensic casework DNA backlog reduction projects -- the number of CODIS hits during the reporting period attributable to the forensic analyses funded under this award).

For the purposes of performance measure data reporting, a backlogged forensic biology DNA case is defined as a forensic biology DNA case that has not been completed within 30 days of receipt in the laboratory.

The recipient shall ensure that all required performance measure data are collected throughout the award period.

The recipient agrees to submit applicable performance measure data at the same time that it submits its final report. These final performance data will be submitted to the Office of Justice Programs, on-line through the Internet at <https://www.nijpmt.org>. With respect to data concerning forensic DNA activities, the final report should contain: (1) for forensic DNA capacity enhancement projects -- the average number of days between the submission of a request for forensic biology DNA analysis to the laboratory and the delivery of the test results to the requesting agency at the end of the project period, and the average number of forensic DNA samples analyzed per analyst month at the end of the project period, and (2) for forensic casework DNA backlog reduction projects -- the number of backlogged forensic biology DNA cases at the end of the project period, the cumulative number of forensic biology DNA cases analyzed using funds provided under this award, the cumulative number of DNA profiles from forensic analyses entered into CODIS as a result of the funds provided under this award, and the cumulative number of CODIS hits attributable to forensic DNA analyses funded under this award).

For the purposes of performance measure data reporting, a backlogged forensic biology DNA case is defined as a forensic biology DNA case that has not been completed within 30 days of receipt in the laboratory.

If the recipient uses award funds for DNA database sample analysis or capacity enhancement, the recipient also agrees to submit applicable performance measure data with its final report. With respect to such data, the final report should contain: (1) for DNA database laboratory capacity enhancement projects -- the average number of DNA database samples analyzed per analyst month at the end of the project period; the average number of days between the submission of a DNA database sample to the laboratory and the upload of the profile to CODIS at the end of the project period, and (2) for DNA database backlog reduction projects -- the number of backlogged DNA database samples at the end of the project period, the cumulative number of DNA database samples analyzed using funds provided under this award, the cumulative number of profiles from DNA database samples entered into CODIS as the result of funds provided under this award, and the cumulative number of CODIS hits resulting from DNA database profiles developed using funds provided under this award.

For the purposes of performance measure data reporting, a backlogged DNA database sample is defined as a DNA database sample that has not been completed within 30 days of receipt in the laboratory.

The recipient shall ensure that all required performance measure data are collected throughout the award period.

AWARD DATE 09 29 2017

SPECIAL CONDITIONS

41. Pursuant to 28 C.F.R. Part 18, OJP may suspend or terminate funding under this award before the completion of the project funded by this award, for the recipient's failure to comply with these special conditions or with the project's goals, plans and methodology set forth in the approved application. In the case of suspension, the recipient will be unable to draw down funds until OJP determines that the recipient is in compliance.
42. The recipient acknowledges that the Office of Justice Programs (OJP) reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use (in whole or in part, including in connection with derivative works), for Federal purposes: (1) any work subject to copyright developed under an award or subaward; and (2) any rights of copyright to which a recipient or subrecipient purchases ownership with Federal support.

The recipient acknowledges that OJP has the right to (1) obtain, reproduce, publish, or otherwise use the data first produced under an award or subaward; and (2) authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes. "Data" includes data as defined in Federal Acquisition Regulation (FAR) provision 52.227-14 (Rights in Data - General).

It is the responsibility of the recipient (and of each subrecipient, if applicable) to ensure that this condition is included in any subaward under this award.

AWARD DATE 09/29/2017

SPECIAL CONDITIONS

44. The recipient agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.

Environmental Assessment (EA): The recipient agrees and understands that funded activities (whether conducted by the recipient or subrecipients or contractors) may require the preparation of an EA as defined by the Council on Environmental Quality's Regulations for implementing the Procedural Provisions of the National Environmental Policy Act (NEPA), found at 40 CFR Part 1500. An EA is a concise public document that briefly provides sufficient analysis for determining whether to prepare an environmental impact statement (EIS) or a finding of no significant impact for the proposed activity. If in completing an EA for a proposed activity, potential adverse environmental impacts are identified, the EA will serve as a vehicle for developing either alternative approaches or mitigation measures for avoiding or reducing the identified adverse environmental impacts.

Modifications: Throughout the term of this award, the recipient agrees that for any activity that is the subject of a completed EA, it will inform NIJ of-- (1) any change(s) that it is considering making to the previously assessed activity that may be relevant to environmental impact; or (2) any proposed new activities or changed circumstances that may require assessment as to environmental impact, such as new activities that involve the use of chemicals or involve construction or major renovation. The recipient will not implement a proposed change or new activity until NIJ, with the assistance of the recipient, has determined whether the proposed change or activity (or changed circumstances) will require additional review under NEPA. Approval for implementation will not be unreasonably withheld as long as any requested modification(s) is consistent with eligible program purposes and found acceptable under an NIJ-conducted environmental impact review process.

45. The recipient may not obligate, expend, or draw down any funds until the program office has verified that the recipient has submitted all necessary documentation required to comply with the Department of Justice Procedures for Implementing the National Environmental Policy Act found at 28 CFR Part 61 (including Appendix D), and a Grant Adjustment Notice (GAN) has been issued removing this condition.
46. The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/ExploreFFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

47. The recipient may not obligate, expend, or draw down any funds until a revised proposal (and any necessary modifications to the budget and budget narrative) has been received and approved by the National Institute of Justice, and a Grant Adjustment Notice has been issued removing this condition.

This applicant is responsible for the collection and examination of evidence from all types of crimes committed within a community of over 464,000 residents, which is the 38th largest city in the United States.

The Mesa Forensic Services Biology Unit, consisting of seven employees is responsible for processing biological evidence from homicides, sexual assaults, burglaries and numerous other crimes. During 2016, members of the unit processed over 3,200 samples and prepared over 1,500 reports regarding their scientific analyses. The laboratory is a National DNA Index System (NDIS) participant.

The Mesa Forensic Services Biology Unit participates in external audits, not less than once every two years, to demonstrate compliance with the requirements of the Quality Assurance Standards established by the Director of the Federal Bureau of Investigation. The most recent external audits were performed February 21-22,

2017, February 9-12, 2015, October 21-22, 2013, August 29, 2011, and May 3-6, 2010.

The current (2016) overall average turnaround time for DNA reports is 31 days, with violent crime being 29 days and nonviolent crime being 33 days.

The current (2016) average number of forensic DNA samples analyzed per analyst per month is 33.

The number of untested not completed forensic biology/DNA cases on hand on December 31, 2016 was 144.

The laboratory intends to increase capacity using existing personnel. Federal funding in the amount of \$150,000.00 from this award will be used for the following goals:

1. Reduce the backlog of forensic biology/DNA cases.
2. Increase the capacity of the Mesa Police Department Forensic Services Biology Unit by obtaining an eight capillary CE instrument and associated software.

It is estimated that a minimum of 10 forensic DNA cases can be analyzed within the 24-month award project period using the Federal funding requested under this FY2017 program.

The laboratory expects to reduce the average turnaround time by approximately 3% and the backlog by approximately 10%. The average turnaround time would be reduced to approximately 30 days and the number of untested not completed forensic biology/DNA cases would be reduced to 130.
