**Subject:** Three-Year Term Contract for Fire Hose for the Fire and Medical Department  
(Single Response) (Citywide)

## Recommendation

Council is requested to approve the award as recommended.

The Fire and Medical Department and Purchasing recommend awarding the contract to the single responsive and responsible bidder, L. N. Curtis and Sons at \$53,800.00 annually, based on estimated usage.

## Background / Discussion

This contract will provide fire hose for the Fire and Medical Department to use in fighting fires as well as for firefighter protection. Fire and Medical conducted testing on various hoses and has standardized with the following hoses: Ponn conquest, Snap-tite and N-Dura hose made by All American. These hoses will be used to replace existing fire hoses that are removed from service due to age or failure to meet NFPA 1962 Standards during the annual testing. All fire hoses must meet NFPA 1962 Standards during annual testing.

When only one bid was received, Purchasing staff contacted All American Hose. All American confirmed that L. N. Curtis and Sons is currently the only distributor for All American Hose in Arizona.
