Customer is responsible for providing a dedicated electrical circuit within six feet of each sign location and any desired electrical timing devices.

This original unpublished drawing is submitted solely for the project being planned. It is not to be copied or shown to persons outside of your organization without express written authorization from ROYAL SIGN COMPANY. All specified details on these drawings are subject to change due to the availability of materials and/or changes in the method of fabrication. ROYAL SIGN COMPANY will do their best to maintain the design intent of these drawings at all times. If the owner or owners' representative wishes to receive detail drawings on all changes during the fabrication process, ROYAL SIGN COMPANY must be advised in writing prior to the start of fabrication.
