

PETITION IN SUPPORT

RE: VARIANCE REQUEST FOR 3135 E. LELAND CIRCLE, MESA, ARIZONA

We, the undersigned surrounding property owners, sign this Petition in Support in favor of Spencer & Lois Wallace, who reside at 3135 E. Leland Circle, supporting their request for a variance to allow for a detached garage on their property at the location shown on the attached site plan with a roof design that will match the existing residence, which we prefer over a flat roof design which would be allowed under the zoning code. We acknowledge the criteria for a variance in the City of Mesa and believe that each requirement has been met and urge your support of the Wallace's variance request.
