

## **Land Use Restriction in the Airfield Overflight Areas**

Chapter 19 of the Zoning Ordinance establishes the Airfield Overflight Areas (AOA) around Falcon Field and Phoenix-Mesa Gateway Airports. AOA 1 zones have a day-night average sound level (DNL) of 65 decibels (db) or greater. AOA 2 zones have a DNL between 60 and 65db. Some land uses, particularly residential uses, are negatively affected by high sound levels. Based on these negative impacts, the land use tables in Chapters 4, 5, 6, 7, and 10 place restrictions on these sensitive uses depending on which AOA zone they are in. The options for these restrictions include:

- Use prohibited in the AOA 1 zone
- Use prohibited in the AOA 2 zone
- A Council Use Permit required in the AOA 1 zone
- A Council Use Permit required in the AOA2 zone

Staff has recently become aware of some inconsistencies in how a given land use is addressed in different zoning districts. Also, Phoenix-Mesa Gateway Airport has recently completed an “Airport Land Use Compatibility Plan Update” which made recommendations for appropriate land uses in the AOA zones. Based on this information, modifications to the land uses tables for Chapters 4, 5, 6, 7, and 10 are being proposed. A draft of the proposed changes is provided on the following pages. The changes are done in red font to facilitate identification of the changes.

The numbers in the columns under the zoning district (e.g. P 2, 4) relate to a list of specific restrictions, stipulations, or conditions for the use that follow each table. The numbers used for the AOA restrictions differs with each table, but always follow the same order.

## 11-4-2: Land Use Regulations

In Table 11-4-2, the land use regulations for each Agricultural zoning district are established by letter designations as follows:

- “P” designates use classifications permitted in the Agriculture District.
- “SUP” designates use classifications permitted on approval of a Special Use Permits.
- “CUP” designates use classifications permitted on approval of a Council Use Permits.
- “(x)” a number in parentheses refers to a limitation following the table.

Use classifications not listed are prohibited. The “Additional Use Regulations” column includes specific limitations applicable to the use classification or refers to regulations located elsewhere in this Ordinance.
