

Citizen Participation Report for the Landing

Date: April 4, 2018

Report: We contacted all property owners within 500 feet of our development site as outlined in the submitted list of property owners. Included with the letters that were mailed out was our proposed site plan, elevations, and materials. To date not one has contacted the development team with any questions or concerns regarding the proposed site or building design.

If you have any questions regarding the contact list and materials please don't hesitate to ask.

Sincerely,

Eric Zitny, AIA, LEED AP BD+C
Project Architect
