

City Council Report

Date: May 7, 2018
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: One-Year Term Contract for Hayward Gordon Repair Parts for Screw Centrifugal Pumps for the Water Resources Department **(Sole Source)**
(Citywide)

Recommendation

Council is requested to approve the award as recommended.

The Water Resources Department and Purchasing recommend awarding the contract to the sole source vendor, Hayward Gordon at \$100,000.00, based on estimated usage.

Background

The Greenfield Water Reclamation Plant (GWRP) has large screw centrifugal pumps manufactured by Hayward Gordon. GWRP is experiencing ongoing ragging issues in the solids train which are accelerating the wear on the rotating and stationary wet end parts on both the recirculating and mixing sections of these pumps.

This contract is for Hayward Gordon pump parts plant-wide. This contract is required to maintain the necessary level of spare parts in stock for the speedy repair and return to service of critical pumps at the plant.

Hayward Gordon is the only distribution channel for all Hayward Gordon products and spare parts for Municipal Water and Wastewater Facilities in Arizona.

Purchase Information

Action: Award
Procurement Type: Sole Source
Contract Number: 2018181
Local Consideration: Policy did not apply to this procurement method
Protests Received: None
Initial Contract Term: One year
Possible Renewals: None
Funding Source: The purchase is funded in the Water Resources Department budget through GWRP Operations & Maintenance (GWRP Joint Venture)
