

City Council Report

Date: May 7, 2018
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: One-Year Renewal to the Term Contract for Refuse Roll-Off Containers for the Environmental Management and Sustainability Department **(Citywide)**

Recommendation

Council is requested to approve the contract renewal as recommended.

The Environmental Management and Sustainability Department (EMSD) and Purchasing recommend authorizing the renewal contract with Galfab LLC (formerly Wastebuilt Southwest LLC) at \$93,000.00, based on usage.

Background

This contract provides 30-yard, and 40-yard roll off containers used to service residential and commercial customers requesting refuse service to keep up with Mesa's customer demand.

Galfab LLC offered to renew the contract with an average overall price increase of 9% which was negotiated by EMSD. This vendor has a history of building and supplying the City with roll-offs. The City has been satisfied with the vendor's performance; roll-offs are readily available, pricing is competitive and staff are experienced. This contract continues to be advantageous to the City and it is in the City's best interest to renew the contract.
