We will have 4 SRP Cardboard trash receptacles, with bags. The Beer will be served in Plastic cups, so to prevent ANY injury with Glass cups. BJ's Brewery staff will be staffing the Beer Tent and they are licensed to Pour, and we will have an Off Duty officer, checking ID's and making sure people don't leave the area with Beer. The Hours of Operation will be from 6 pm to 10 pm on Gamedays.

We will make sure the chain link fence sections are secure, and the tables will be Lifetime tables with seating for 40 people. We will make sure only a certain amount of people are allowed in the Beer Garden at one time. We expect 100 or so people, at different parts of the night. Mesa Community College Police will be at their fence, checking things as fans come and go to the Beer Garden.
