PILOT PROGRAM: RESIDENTIAL SERVICE – ECONOMY – E1.11

APPLICATION

To eligible customers for electric service required for their residential purposes in either individual private dwellings or in individually metered apartments, when such service is supplied at one Point of Delivery and measured through one meter.

ELIGIBILITY

Subject to availability and approval by the Mesa Electric Utility, customers must satisfy the following conditions to be and remain eligible to receive service under this Schedule:

1. The electric utility account must be in the eligible customer's name, and that customer of record must be a full time permanent resident at the dwelling where service is supplied.
2. Customer of record must complete and submit the City's application for the Pilot Program; completed applications are subject to approval by City and must include all requested information. Information is subject to verification by City.
3. Eligible customers will be provided service under this Schedule for 12 months. Annual recertification will be required for the eligibility of rates under this Schedule (if available) to continue. As this service is a Pilot Program, there is no guarantee of continued eligibility or availability and there will be limits on the number of customers who may participate.
4. Eligibility of service under this Schedule is limited to customers of record with total verified household income (income from all sources) at or below twenty seven thousand dollars (\$27,000.00) annually.
5. The Mesa Electric Utility may include consideration of household size in relation to income as well as federal poverty guidelines to determine whether customers receive service under this Schedule. Preference will be made for customers who require life support, are disabled, or have other vulnerabilities.
6. Any customer no longer deemed eligible for service under this Schedule shall be billed, beginning the first month after ineligibility, at E1.1.
