

City Council Report

Date: May 21, 2018
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: One-Year Renewal to the Term Contract for Deep Well and Well Pump Maintenance and Repair Services for the Water Resources Department
(Citywide)

Recommendation

Council is requested to approve the contract renewal as recommended.

The Water Resources Department and Purchasing recommend authorizing the renewal with Weber Water Resources, LLC (Primary Award); and Southwest Waterworks Contractors Inc. (Secondary Award); for \$480,000.00, based on estimated usage.

Background

This contract provides deep well and well pump maintenance and repair services to include pulling/repairing deep well pumps, videoing wells, brushing and bailing well casings and other related services.

Water Resources - Water Supply Division is responsible for the maintenance and operation of 31 wells. Although the wells are used primarily as a backup to the surface water treatment facilities, it is critical that these wells remain in good working order. The wells are essential to the City in the event production is cut off at the surface water treatment facilities. In addition, it is critical that all wells remain in a state of optimal performance to ensure a safe and adequate water supply for Mesa customers in the event flows are reduced from the surface water plants.

The vendor agreed to renew the contract under the same terms, conditions and current pricing though this commodity has increased by 2.4% (Consumer Price Index). There is a shortage of qualified vendors that can service wells and well pumps. These are the only two vendors who responded to the Request for Proposal. The City has been satisfied with both vendors' performance. This contract continues to be advantageous to the City and it is in the City's best interest to renew the contract.

Purchase Information

Action: Renewal (1st of 2 possible)
Procurement Type: Request for Proposals
Contract Number: 2015264

Responses Received: 3 (including 1 No Bid response)

Original Council Award Date: 7/1/2015
