

Plan of Operations Quick N Clean Car Wash

324 N Country Club Drive Mesa, AZ

The hours of operations for the car wash will be from 7AM to 7PM seven days a week. A minimum of 2 employees are on site during operational hours. Employees arrive 30 minutes before opening to clean the site and test the equipment and remain on site for a minimum of 30 minutes after closing to clean the site and close the business. Employees are required to walk the site before their shift to ensure that the site is in a clean and presentable manner free from debris, trash, etc. One employee will be focused on assisting the customer at the pay station and being available for customer issues or concerns. A second employee will be focused on the car wash tunnel (guiding customers onto the conveyor and making sure the equipment is operating correctly). Additional employees are occasionally on site to maintain the equipment and assist with the operations. Each parking stall will be provided with a trash can on the canopy structure to aid the staff in controlling litter on the site.

The building will be secured every night to prevent illegal, non-business hour, occupancy. Security cameras will capture all activity on-site and within the car wash tunnel and building. Low-level security lighting will remain on after operational hours.
