From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Purchase of a Mobile Six-Camera Video System for the Police Department
(Grant funded by the Arizona Department of Homeland Security)
(Citywide)

Recommendation

Council is requested to approve the award as recommended.

The Police Department and Purchasing recommend authorizing the purchase using the City of Tempe cooperative contract with KTAC Communications at \$202,130.01.

Background

Mesa Police Department's Homeland Security Unit is participating in a regional project with other local agencies including Phoenix, Tempe, and Maricopa County Sheriff's Office, to purchase like systems and equipment for a rapidly deployable camera system. The City of Tempe has a contract that can be used to purchase this specific equipment. These agencies will purchase the same equipment, therefore allowing the Valley systems to work together.

This system integrates information collection and security during high profile events and situations. This will enhance the current IP video surveillance system purchased in 2009 and make it compatible with the other agencies.
