

City Council Report

Date: July 2, 2018
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Ratification of the Emergency Purchase of 18 Mobile Two-Way Radios (Additions), Accessories and Related Equipment for the Fire and Medical Department (**Funded by the Capital – General Fund**) (**Citywide**)

Recommendation

Council is requested to approve the emergency purchase as recommended.

The Fire and Medical Department and Purchasing recommend ratifying the purchase from the State of Arizona cooperative contract with Motorola Solutions, Inc. at \$100,097.20.

Background

Fire and Medical has issued all the spare APX 7000 portable radios for the pilot programs with the Low Acuity units. The Department was using loaner radios from Motorola for use as additional spares, but these radios are not the same model as what is currently being used in the field. Crews would have had to use a portable radio they are unfamiliar with or the department would have had to go back to the old style XTS single band portable radio.

The emergency purchase was approved by the City Manager's office as provided in the City Code.
