

## PETITION IN SUPPORT

**RE: VARIANCE REQUEST FOR MORENO RESIDENCE – 145 N FRASER DRIVE WEST, MESA, AZ**

We, the undersigned surrounding property owners, sign this Petition in Support in favor of Anthony & Doreen Moreno, who reside at 145 N. Fraser Drive West, supporting their request for a variance to allow for an encroachment of their family home into the side yard setback of heir lot as shown to us on the attached site plan, which we prefer over a design that would cause the home to be located either closer to Fraser street or to be built further into the rear yard. We acknowledge the criteria for a variance in the City of Mesa and believe that each requirement has been met and urge your full support of the Moreno's variance request.
