

City Council Report

Date: September 17, 2018
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Purchase of Two Medical Response Vehicles (Additions) for the Fire and Medical Department **(Funded by the Capital General Fund) (Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Fire and Medical Department and Purchasing recommend authorizing the purchase using the Helping Governments Across the Country (HGAC) cooperative contract with Professional Sales and Service, L.C., at \$423,238.33.

Background / Discussion

The Fire & Medical Department is requesting City Council approval for the purchase of two 4-Person Medical Response Units (MR).

This purchase is for the implementation of a new response model that was created to improve efficiencies relating to calls for service, and compliance with standards set by National Fire Protection Association (NFPA). The fire stations that receive high call volumes will implement MR. The MR will be adaptable to respond to medical, lower level and sometimes non-emergency calls. In-turn this will keep frontline apparatus available for higher-level emergency calls. Utilizing the MR will also reduce wear and tear and extend the life cycle replacement of the larger, much more expensive frontline apparatus.

The proposed MR will be F-550 Ford 4x2 Crew Cab chassis. A custom rescue/medical body will be mounted to the chassis. This design is one of a kind for the industry. The following is a short overview of its configuration: firefighting tools mounted in each compartment, provisions for four self-contained breathing apparatus (SCBA's), firefighting gear storage, rear storage with a sliding tool tray, total code three light package with Opticom, all sides scene lighting, total up-to-date communications package, and 90-day maximum build time through HGAC cooperative contract.

Purchase Information

Action: Award

Procurement Type: Cooperative Contract Use

Contract Number: 2019037

Contracting Agency/Contract Number: HGAC/AM-10-16/Product Code KA01-KA13-KE09

Local Consideration: Policy did not apply to this procurement method

Protests Received: None

Initial Contract Term: 8/17/2018 to 11/1/2018

Funding Source: Capital General Fund
