

City Council Report

Date: October 15, 2018
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Three Month Term Contract with Three Years of Renewal Options for
Emergency Pipeline Repair Services for the Water Resources Department
(Citywide)

Recommendation

Council is requested to approve the award as recommended.

The Water Resources Department and Purchasing recommend authorizing the purchase using the City of Scottsdale cooperative contract with Professional Piping Systems LLC dba WaCo Contracting and Achen-Gardner Construction LLC at \$200,000 annually.

Background / Discussion

This contract will provide for emergency pipeline repair services for both water and wastewater line breaks.

Water Resources has either repaired the City's pipelines or for larger breaks had to use a contractor through Job Order Contracting (JOC) with Engineering. This contract will allow Water Resources to get extra help from a licensed contractor that is set-up for this specific type of work.

The City of Scottsdale cooperative contract has been competitively bid and provides for the lowest possible cooperative pricing.
